

Pay for Parking at Calgary Transit Park and Ride Lots

On **Monday, March 16 2009**, Calgary Transit started implementing a \$3.00 daily fee for parking at three Calgary Transit Park and Ride lots. By the end of May, 2009, all Calgary Transit operated Park and Ride lots located at CTrain stations plus several lots located on major bus routes will require a \$3.00 daily parking fee.

Parking will be free from 6:00pm - 2:00am weeknights, and all day Saturdays, Sundays and Holidays. All revenue from this new parking charge will be used to increase the current level of cleaning, maintenance and security in these lots and on the entire transit system.

Monthly Convenience Parking Passes

Starting June 1, 2009 a monthly parking pass is available for Calgary Transit Park and Ride lot customers. This pass allows customers the convenience of paying once a month rather than daily.

The cost is \$60/month (\$57.14 plus \$2.86 GST).
